2013 Spring Start-up Seminar

Minnesota Mine Safety Association is proud to bring you our annual spring start-up seminars. This full-day seminar is packed with information. The educational topics for this year are Fall Protection—a hands-on demonstration, Today’s Equipment—What you Don’t Know CAN Hurt You and New Guarding Compliance. They are designed to provide you the knowledge you need to maintain a safe work environment at your location.

MSHA personnel will be on hand to answer your enforcement questions. This year our featured speaker is Chad Hymas. Chad will speak on Safe Work Practices. Last year Chad spoke at 220 different events. He travels as many as 300,000 miles per year. Chad Hymas will not only inspire, motivate, and move you... He will create an experience that will touch your heart for a lifetime. You won’t want to miss this great opportunity!
